TRANSFERS AND PERMITS

INTER-ASSOCIATION TRANSFER

Any player wishing to transfer to a new Association must correctly complete a transfer form obtained from the new Association Secretary.

The Secretary of the new Association must forward the first and second copy to the W.A.D.C. Registrar. The third copy should stay in the book.

The Council Registrar will record the date and then forward them to the original Association Secretary. This Association should make sure the Player is eligible for transfer and deal with the transfer within 28 days. The pink copy is then retained and the white copy must be forwarded to the WADC Registrar who, will in turn, notify the new Association if the transfer has been granted or refused.

Failure to deal with the transfer within 28 days will result in an automatic transfer.

INTER-ASSOCIATION PERMITS

While Players are permitted to play for more than one Association, they must obtain a signed permit form from their FIRST ASSOCIATION and present it to any other Association they play for.

All Associations must have a permit book as issued by the Darts Council. If your Association does not have a Permit Book, please request one from the Registrar.

It is the Player's responsibility to obtain a correctly completed and signed form. The Player should take the pink copy (second copy) to the second Association. The original (white) copy must be forwarded to the WADC registrar by the first Association. The first Association should keep the yellow copy for their own file.

Permits **MUST BE ISSUED EACH YEAR**
